

Policy paper tips

- Find the lead agency for your topic
 - Can find this in the issue brief or un.org
- Learn the names of your country's main foreign policy people
 - National leader
 - Foreign minister
 - UN ambassador
 - Find speeches about your topic from these people (can use the CIA fact book to find the names of these people)
- If you can't find anything about the government look at regional organizations that your country to and look for their ministerial document
- Can use this document as a substitute for the country's position
